DETAILED ACTION

1. This action is in response to applicant's amendment received on 05/01/06.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 22-34 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 22 and 30, it is not clear what "wherein no portion of the tear bar between the first and second side portions is closer to the strip of media than the first side portion" encompasses. Fig. 4 illustrates the center portion 38 at the same level of the first portion 64.

Allowable Subject Matter

4. Claims 22 and 30 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
